

## G-Series Shockless Type Solenoid Directional Valve

**G-DSG-01- \* - \* \* \* - \* -51**

**G-DSG-03- \* - \* \* \* - \* -51**

### Notice of Model Change

We hereby announce the model change of G-series shockless type solenoid directional valve (shifting time adjustable) following the renewal of on-board amplifier. The new design number is 51.

#### ■What Changed

New design digital control amplifier has been employed.

#### ■Special Features

##### ●Interchangeability

Adjusting trimmer is inherited from the old model. Same as on the old model, trimmer adjustment allows to modify the time of spool switching in accordance with the machine.

##### ●New Functions

USB MICRO-B connector has been added and adjustment on PC using specialized software made available. Making minute adjustments and readjusting has become easier compared to old model. Copying of set adjustment value made available. There is a maintenance function that allows to check working conditions of the valve such as solenoid current value and operating time on PC.

#### ■Affected Models

Old Model Number	New Model Number
G-DSG-01- * - * * * - * -50	G-DSG-01- * - * * * - * -51
G-DSG-03- * - * * * - * -50	G-DSG-03- * - * * * - * -51

#### ■Installation Interchangeability

New design is interchangeable with old design

#### ■Comparison between New and Old

The specifications, characteristics, dimensions, connecting terminal, trimmer arrangement are the same. USB MICRO-B connector has been added to the on-board amplifier.

#### ■Timing of Release

Upon depletion of old model valve stock
