Notice of the name plate design change

We hereby announce the name plate design change for Yuken products.

■Major Changes

- •Color scheme and letter arrangement changed according to the examples displayed below.
 - *Please, note that we changed name plate dimensions for some products.
- Pressure in the name plate pressure is displayed as maximum operating pressure (MAX.PRES.)
 - *Maximum operating pressure of the product is displayed regardless of the pressure adjustment range.(Refer to the Comparison of Appearances (Example) below)

■Timing of Release

The release will follow upon completion of the stock of products/spare parts.

■Comparison of Appearances (Example)
