Tank Top Type Filter Element (Former TTF Series) Notice of Discontinued Products

We have decided to discontinue the sale of the subject product due to the following reasons.

■Reason for discontinuation

Due to the discontinuation of the supply of paper (cellulose) filter paper at the supplier.

■Former products and alternative products (the alternative product is made of glass fiber filter paper and has absolute filtration rating of 20 μm).

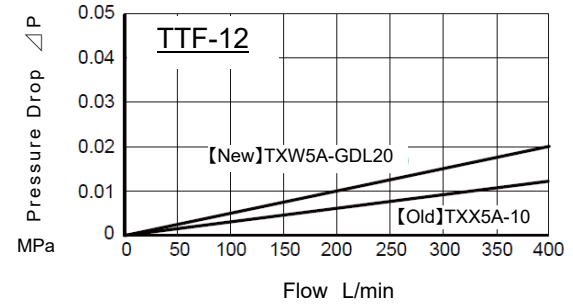

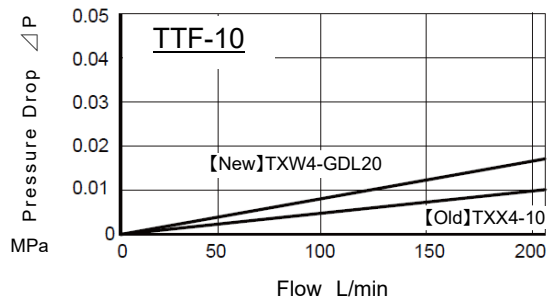

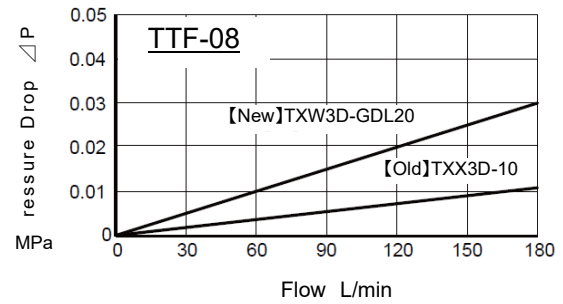

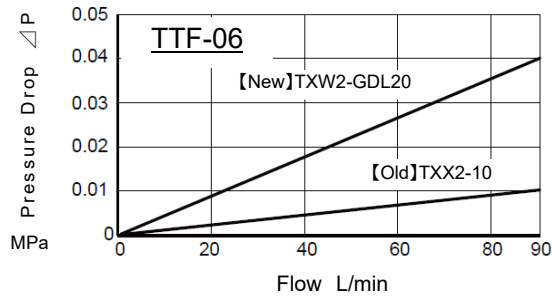

Nominal Size	Filter Body		Filter Element			
	Model	Max. Flow L/min	Former Model	Material and absolute filtration rating	Alternative Models	Material and absolute filtration rating
06	TTF-06	60	TXX2-10	Cellulose 35μm	TXW2-GDL20	Glass fiber 20μm
08	TTF-08	120	TXX3D-10		TXW3D-GDL20	
10	TTF-10	170	TXX4-10		TXW4-GDL20	
12	TTF-12	300	TXX5A-10		TXW5A-GDL20	

★If the filter element is changed to an alternative model, the symbols for filtration rating in the model number on the filter body will be different.

■Interchangeability

Filter body is the same and mounting dimensions are the same. Pressure drop is different according to the following graphs.

■Pressure Drop, Old vs. New

■Timing of Sales Discontinuation: Discontinued
